

**3.3**  
**"ASTEROID REPAIR SHOP"**

*Joe*  
01/15

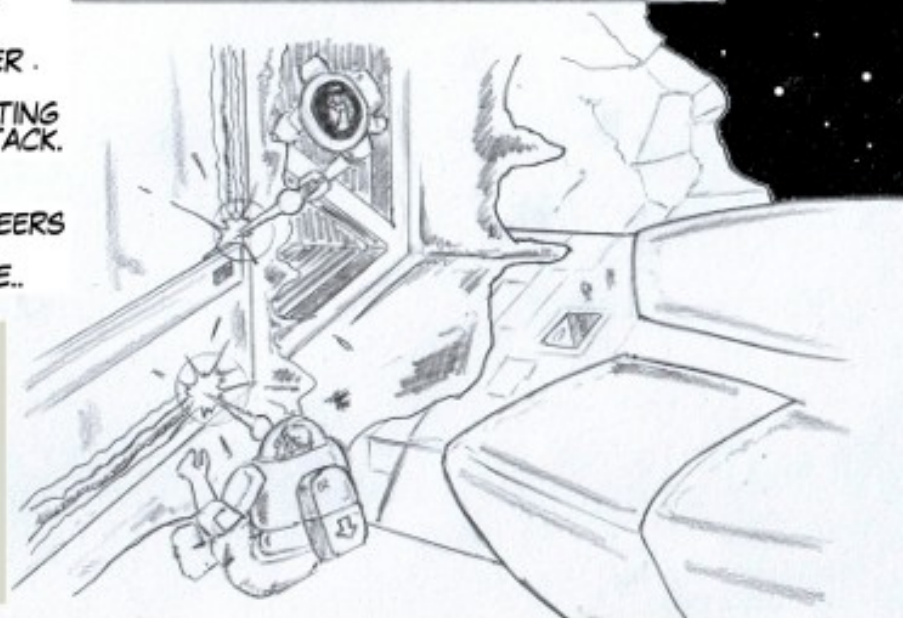

IT HAD BEEN A CLOSE CALL AND THEY WERE BY NO MEANS OUT OF THE WOODS YET.

FROM THE HIGHEST POINT OF THE ASTEROID THEY LANDED ON, DANICA WILLIAMS WATCHES OVER HER SHIP AND CREW.. GUARDING AND PROTECTING THEM FROM ENEMY ATTACK.

BELOW, SKILLED ENGINEERS AND DROIDS WORK ON ANUBIS'S HULL DAMAGE..

IT'S DANGEROUS WORK, WITH THE RISK OF EXPLOSIVE DECOMPRESSIONS FROM THE WEAKENED HULL AREAS, ALONG WITH SHARP DEBRIS JUST WAITING TO SNAG YOUR SUIT!

JUST OUTSIDE THE ASTEROID FIELD THE HIGH-SPEED PHOTAAH HUNTER FLEET WAIT. THEY KNOW THEY HAVE HUNTED ANUBIS DOWN, UNWILLING TO RISK ENTERING THE DENSE ASTEROID FIELD..

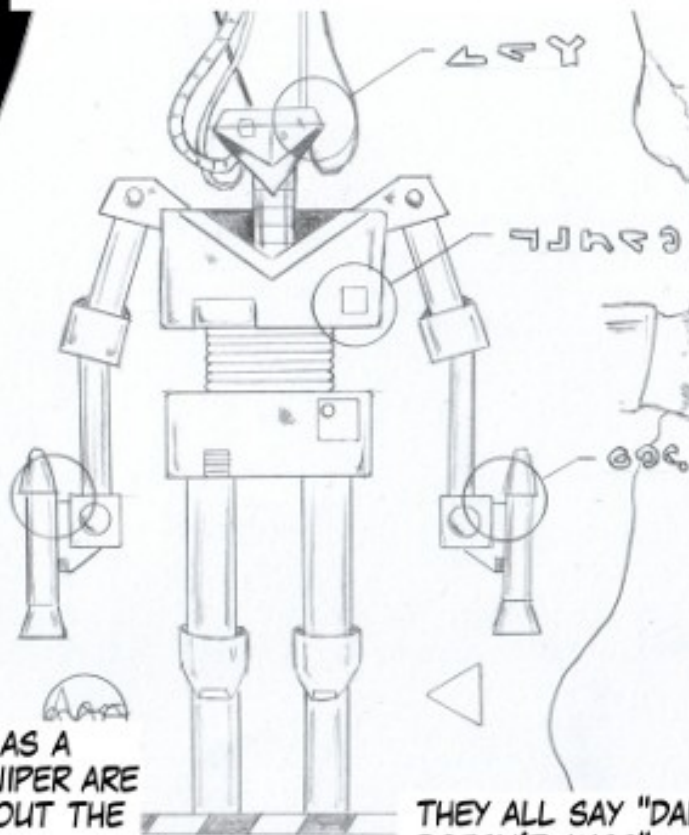

..THEY WAIT FOR THE REST OF THEIR PREDATOR FLEET TO CATCH UP. IN THE MEANTIME THEY PREPARE A SQUAD OF ATTACK DROIDS TO ENTER THE FIELD OF ASTEROIDS AND ATTACK ANUBIS'S REPAIR CREW..

ANOTHER REASON DANICA IS OUT HERE, TO TAKE OUT SUCH AN ENEMY FORCE. SHOULD ANUBIS FIRE HER GUNS ON THEM THE REPAIR CREW WOULD BE OBLITERATED AS WELL.

THE REPAIR CREW FEEL SAFE KNOWING SHE'S OUT THERE.

HER REPUTATION AS A MARINE AND A SNIPER ARE KNOWN THROUGHOUT THE FLEET.

THEY ALL SAY "DANNI DOESN'T MISS".

AND WHAT OF ANNA SOLBERG  
AND HER RAPIDLY GROWING  
REPUTATION?

DESCRIBED AS THE "WARRIOR FROM THE PAST" BY YALI  
TRIBAL LEADER UNATTI.

EXTREME FLYING SKILLS - WHILE THE PHOTAAH WAIT  
OUTSIDE THE ASTEROID FIELD FOR FEAR OF BEING  
DAMAGED OR DESTROYED..

WHO WOULD DREAM OF FLYING A JACKAL CLASS HEAVY  
CRUISER LIKE ANUBIS INTO SUCH A FIELD.

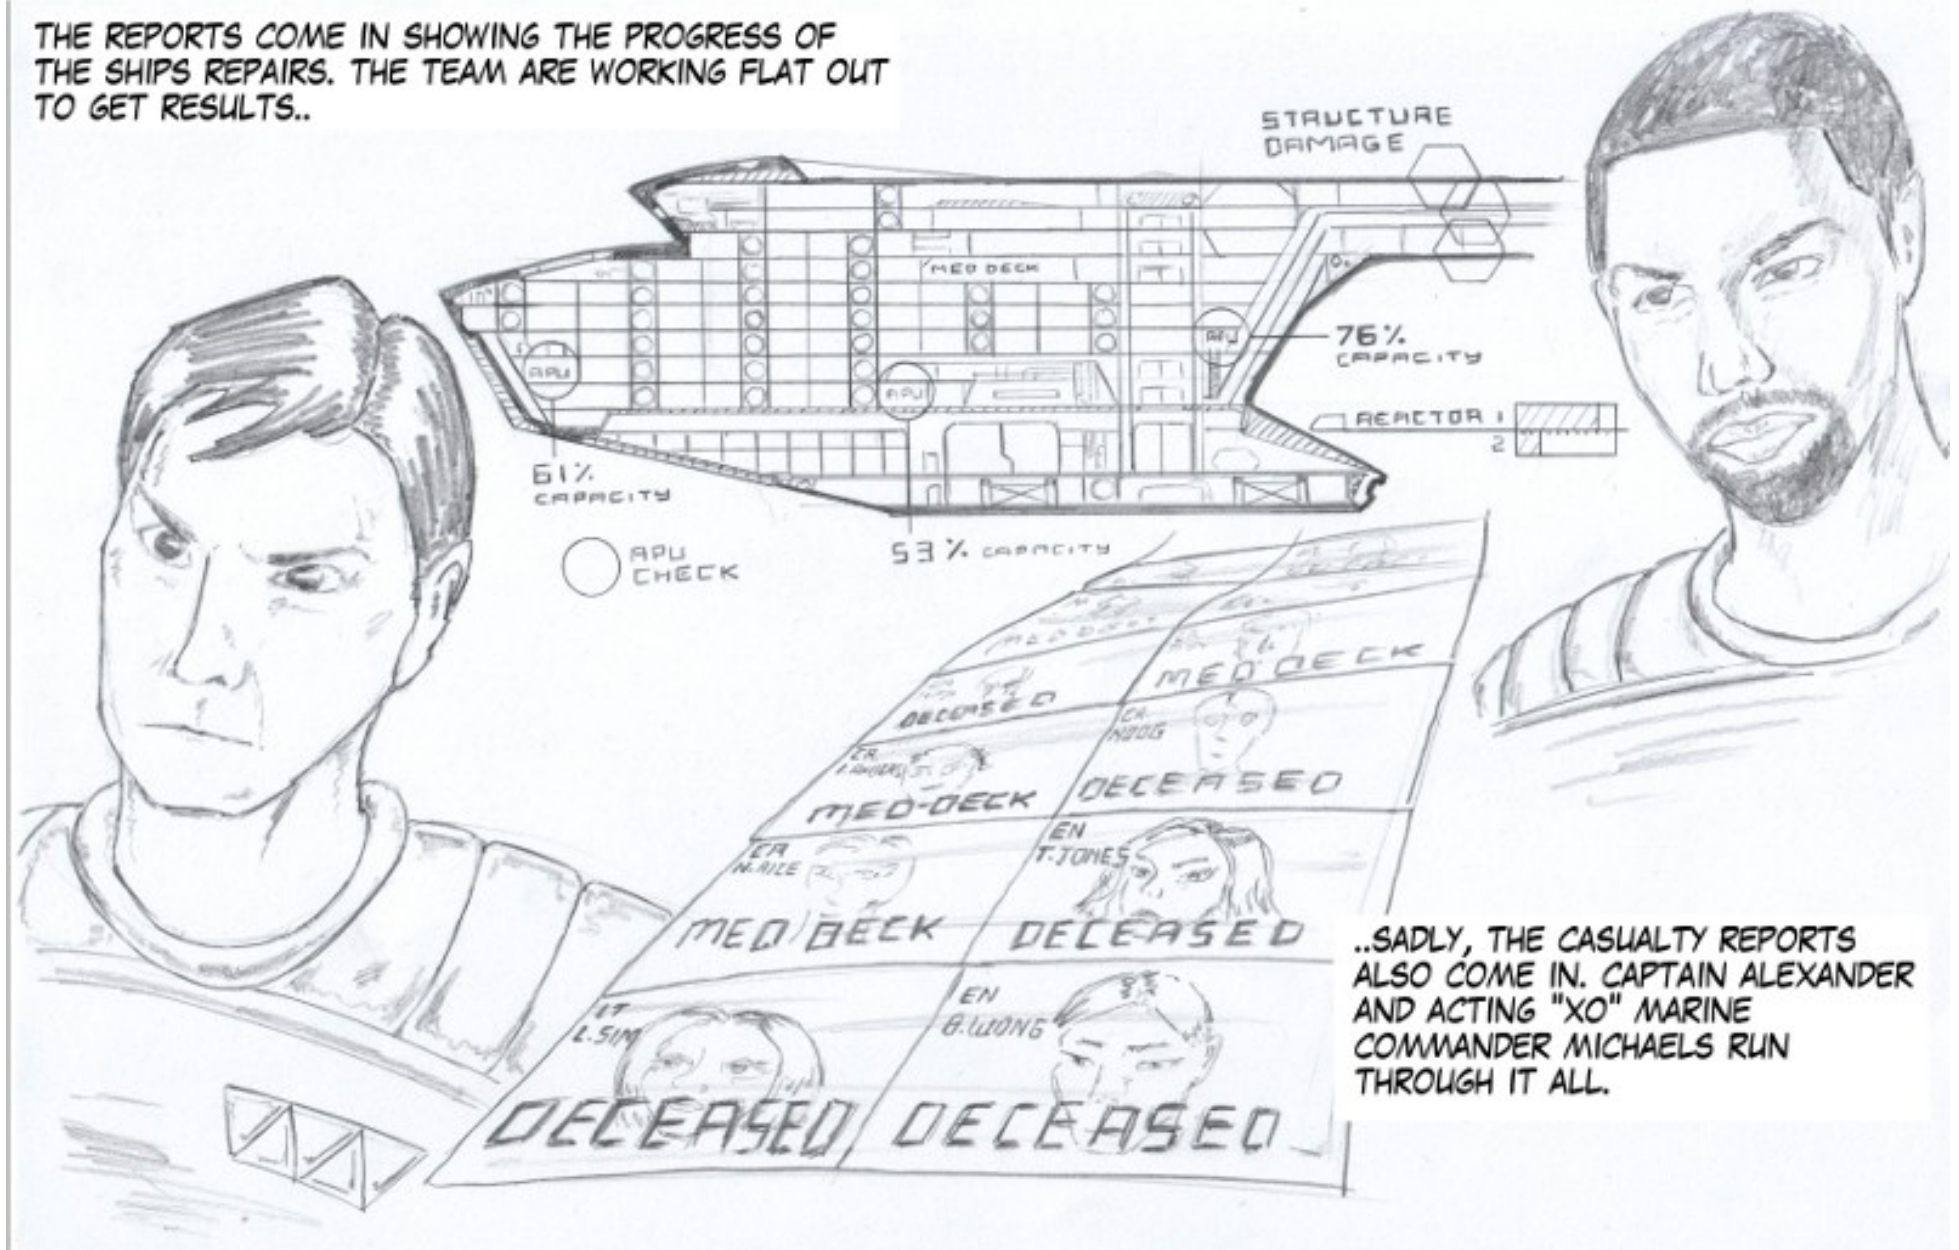

THEN LAND ON ONE OF THE ASTEROIDS TO ALLOW FOR  
REPAIRS!

..THEIR SHIPS ARE SMALLER AND MORE  
MANOEUVRABLE THAN ANUBIS.

THE PHOTAAH WILL BE VERY WARY OF THIS CREW.

ANNA ALSO PROTECTS AGAINST ATTACK, FLYING IN RANGER 5

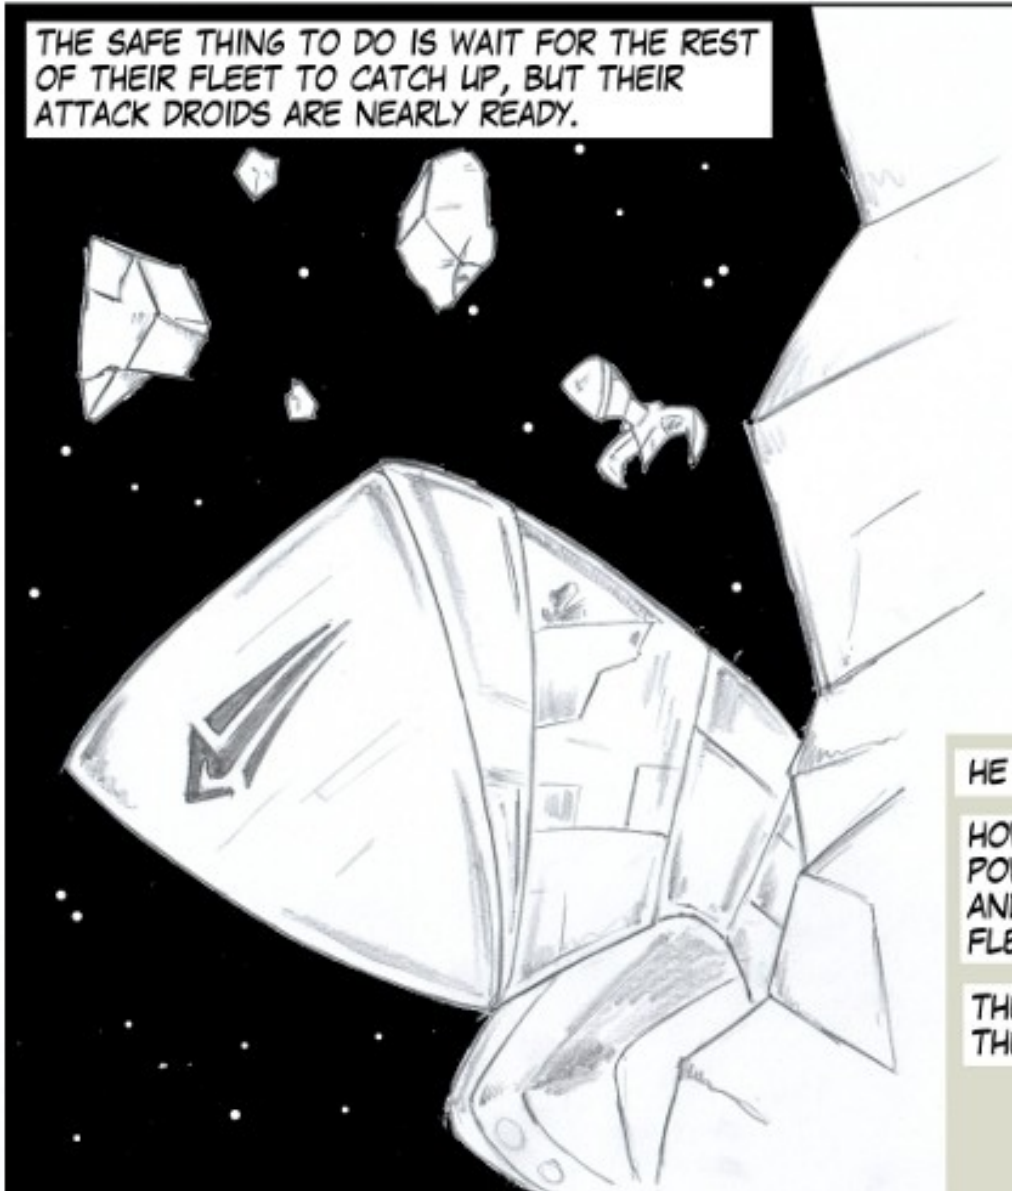

THE REPORTS COME IN SHOWING THE PROGRESS OF THE SHIP'S REPAIRS. THE TEAM ARE WORKING FLAT OUT TO GET RESULTS..

JUST OUTSIDE THE ASTEROID FIELD THE PHOTAAH PERSUIT SIT, WATCHING OUT FOR ANUBIS SHOULD THEY TRY TO MAKE A MOVE.

THEIR COMMANDER LOST SOME FRIENDS AT THE HANDS OF ANUBIS DURING THE ATTACK ON STATION DELTA.

THE SAFE THING TO DO IS WAIT FOR THE REST OF THEIR FLEET TO CATCH UP, BUT THEIR ATTACK DROIDS ARE NEARLY READY.

HE IS ALSO DUE TO RETIRE FROM HIS COMMAND SOON. HOW FITTING A VICTORY OVER ONE OF THE MOST POWERFUL EARTH SHIPS WOULD BE. AN EXPERIENCED AND SKILLED COMMANDER, WITH A STRONG PERSUIT FLEET, HE KNOWS HE CAN PULL IT OFF. THE TEMPTATION TO DISREGARD ORDERS AND LAUNCH THE ATTACK DROIDS IS STRONG.

NEXT EPISODE: "DROID ATTACK"

**STAR FILE: Lieutenant Danica Williams.**

An orphan born in London England, the Space Marine Corps took her in and she asked to be assigned to the fleet protecting the Earth Colonies.

Though mainly fleet based, she is often assigned to special missions known as "Dark Star Ops". These assignments are filled with danger and there is no back up should the marine run into trouble. At 25 years of age, Danica quickly reached the ranks of lieutenant through her bravery in such missions.

Danica is skilled in martial arts and is an excellent sniper - one of the best in the fleet.

She is known for being a bit of an adrenalin junky, some say that she's been affected by some of the things that happened to her during Dark Star Ops.

Her interests are mainly sports based and include kickboxing and archery.

RATING

15

Danica Williams

DARK STAR OPS

coming soon..
